Project/Partner Requirements

Project Requirements:

Stakeholders interested in the Social Media Support Program (OIP) will be required to demonstrate the following:

- You have an active Facebook PAGE (for business) and are actively engaged on the platform (i.e. post at a regular frequency and respond to comments within 24 hours). While campaigns will be run through the BruceGreySimcoe Ads Manager (for billing purposes), the campaign will run as sponsored ads on your social media platforms.
- To launch the campaign, you will need to allow The Aber Group to act as an advertiser on your page. In the new Pages experience on Facebook, only individuals with “full control” (not partial) will be able to accept or assign task access. If you have [Facebook access](#) to a Page, you can view your access.

To view your Page access on Facebook:

- Log into Facebook, then click your profile photo in the top right.
- Click See all profiles, then select the Page you want to switch into.
- Click your Page name in the left menu.
- Click Manage below Page’s cover photo, then click Page access.
- Click your name to view access.
- You must have current collateral (produced in the last 3 years); **high-resolution** images (Min 1MB) and/or 1-3 videos (60 seconds or less) that can be used in a social media campaign.
- Your website is mobile-friendly, must be up to date and reflect your current offerings, hours of operation, and contact information.
- Partners will need to have a landing page consistent with what is portrayed in the video/imagery (i.e. a campaign promoting ice fishing should have a related video and direct traffic to an ice fishing landing page or at minimum, a page outlining a variety of winter activities, of which ice fishing is one).

DSBP and RTO7 will match your investment in operational expenses (e.g. mortgage payments, rent, insurance, inventory purchases, etc.) with a \$1,000 social media advertising campaign. You must be able to demonstrate these expenditures by providing copies of invoices and proof of payment (e.g. cancelled cheque or e-transfer confirmation) with the final report. Please note that each expense can only be used once when accessing DSBP or RTO7 programs. Aside from the operational expenditures invested, there is no cost to the operator (unless you are unable to find the person with full control of the Facebook Page, then the \$200 admin fee applies) DSBP and RTO7 will cover the cost of the media spend, additional agency fees, and HST.

Partner Requirements:

- You must carry liability insurance of at least \$2,000,000 and provide DSBP with a certificate of insurance to demonstrate this coverage.
- You must attest that there are NO outstanding legal issues that would affect the processing and outcomes of this project and collaboration with DSBP and you can legally operate in Ontario.
- If you are an accommodator, you must be licensed within the Town of South Bruce Peninsula (or a commercial operator) AND collect the MAT.
- You will engage in [sustainable tourism](#) practices as outlined on RTO7’s website. DSBP and RTO7 supports that when visitors can plan or book ahead, not only does it help to improve the quality of visitors to the region but also helps our stakeholder manage their business more effectively, therefore, plan ahead/book ahead messaging must be included where possible.
- You commit to [monitoring the Facebook/Instagram posts](#) daily for the duration of the campaign.
- [Google Analytics is activated](#) on your website prior to the start of the campaign.

- Select 1 or 2 representatives to act as the liaison with DSBP. This person should be responsible for your social media marketing and can act as the decision-maker. They must have the capacity to execute the project and respond to team communication in a timely manner. Failure to communicate in a timely manner may cause the campaign to be cancelled or fail.
- Once the project is approved, the partner commits to using [Basecamp](#) (RTO7's project management program) for all communications regarding the project. You will supply the names and email addresses of program contacts to add to Basecamp.
- You must identify Discover South Bruce Peninsula, BruceGreySimcoe and the Province of Ontario as partners:
 - with logos on your website with an active link back to [Destinationsouthbrucepeninsula.com](#), [BruceGreySimcoe.com](#) and [Discoverontario.com](#). DSBP will provide these logos.
 - with logos on all printed collateral supported through the program.
- Maintain a current [operator listing](#) on [DestinationSouthBrucePeninsula.com](#)
- Sign up for the [Discover South Bruce Peninsula Newsletter](#) (funding updates, announcements, etc.).
- You are required to complete a final report and supply copies of invoices demonstrating proof of \$1,000 of expenses (receipts) within 30 days of the completion of the project. **Failure to do this may result in ineligibility to participate in DSBP programs in the future.**

Partners who use third-party agencies for social media marketing are eligible for this program however we will communicate/work with ONLY the lead partner and NOT the third-party agency.

Campaigns take approximately 3-4 weeks to set up and launch so please ensure you have included enough lead time. Should you require a faster turnaround, high resolution images and/or videos, messaging and your landing page MUST be ready to share at the time of the application.
